

CORONA REGULATIONS AND PROCEDURE

It is required of every guest staying at the hotel to show either proof of vaccination via the Corona application which can be downloaded on any smartphone, computer or tablet. For those who are not vaccinated, you must wear a mask in all public areas. Please note that a corona test can be requested at any time during your stay in the absence of the vaccination.

Vaccinated

If you are vaccinated then please make sure to have your app installed (CoronaCheck Netherlands) and available for regular checks inside the hotel. If you are bringing guests they must also show proof of vaccination or test result to enter the hotel

Not Vaccinated

If you are not vaccinated we ask that you take extra precaution to social distance. It is required to wear a mask at all times in public areas and walking around the hotel. If you feel any symptoms of sickness you must take a corona test (self-tests are acceptable). Please note that we can ask you as our guest to provide corona test results at any time during your stay with us.

Corona Tests are provided in the vending machine from 25th September 2021 onward.

Visiting Guests

All visiting guests must wear a mask or provide proof of vaccination using the application. Failure to do so results in immediate removal from the hotel. This includes and is not limited to all public areas, your room and kitchen.

The procedures and requirements are effective of 25th September 2021 onward. Please check the Corona RIVM government website for regular updates and more information.
